## Lieberman & Blecher Opens New York Office

Lieberman & Blecher has crossed the Hudson River. After 11 years in New Jersey, Lieberman & Blecher has opened its first New York office located at 845 Third Avenue, 6<sup>th</sup> Floor, New York, NY 10022. The office will immediately begin to provide the same quality environmental regulatory and litigation services that the firm is known for to its New York clients.

Lieberman & Blecher has already partnered in several New York cases and is now committing further resources to representing clients with respect to New York environmental issues, including noise pollution, contamination, drinking water and toxic tort cases.

According to founding member Shari Blecher, "We have always received calls from the New York City, Staten Island, and upstate New York areas. We believe that while very large corporations have been long served, smaller companies, individuals and community organizations sometimes find it hard to find
